To whom it may concern::

In 2007, I performed field survey locations on the property shown on the plan now entitled "Plan of Silver Lake Station, 1381 Village Road, Madison, NH, Scale: 1"=30', dated September 17, 2007, Revised November 7, 2007, Revised May 28, 2009. The existing buildings were survey located, as were pavement, track, and walkway locations as of original plan dates (2007) and are substantially as shown on the plan. Wetland information was not provided by this office.

Received Apr. 1, 2:20 PM 1957
Recorded by /s/ Lee T Gray
Register of Deeds

THIS INDENTURE made this 29th day of March in the year one thousand nine hundred and fifty-seven, by and between the Boston and Maine Railroad, a corporation duly established under the laws of the State of New Hampshire, and Willis G. Lyman of Madison, in the County of Carroll and State aforesaid.

WITNESSETH: that in consideration of one dollar and other valuable considerations paid by the said Willis G. Lyman, the receipt whereof is hereby acknowledged, the said Boston and Maine Railroad does hereby give, bargain, sell and convey unto the said Willis G. Lyman, his heirs and assigns, forever, a certain piece or parcel of land with the depot building, express building and freight house building thereon, situated in Madison, in the County of Carroll and State of New Hampshire , bounded and described as follows: beginning at the most southerly corner of said parcel and on the northerly side line of the Highway, so-called, and at the most westerly corner of land now or formerly of Drew, thence running North 69° 10' 00" West by said Highway and through Station 3122+00 on the center line of track and location of the Conway Branch route of the Portland Division of the Boston and Maine Railroad two hundred twenty and twenty-nine hundredths (220.29) feet to a point at land now or formerly of James J. Burke; thence turning and running North 46° 50' 00" East partly by said last mentioned land and partly by land now or formerly of Stacy seven hundred thirty-three and ninety-four hundredths (733.94) feet to a point at remaining land of said Railroad; thence turning and running South 79° 30' 00" East by said last mentioned land and thro...

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

CAROL A. MURRAY, P.E.
COMMISSIONER

GILBERT S. ROGERS, P.E
ASSISTANT COMMISSIONE

November 27, 2002

Neil Underwood
PO Box 99
Greenland, NH 03840

Dear Mr. Underwood,

I understand you have spoken with Brian Lombard of this office concerning the property you recently acquired in Silver Lake.

As you may know, the state last year purchased the remaining segments of the Conway Branch owned by the Boston and Maine Corporation between Ossipee and Conway, with the goal of preserving the railroad corridor for future rail use. In the interim, the corridor is being managed by the Department of Resources and Economic Development, Trails Bureau, for recreational use.

Since the property you recently purchased, including the railroad corridor, was sold by the Boston and Maine prior to the town of Madison and ultimately the state purchasing the railroad corridor, it represents a gap in the continuous corridor. I would propose that the state purchase an easement from you over a 30-foot strip of land, fifteen feet on either side of the center line of track the length of your property. The easement would allow the state to use the corridor for railroad or other transportation purposes, or trail use. I can provide you with sample easement language if it would be helpful to you.

Feel free to contact me with any questions or concerns.

Sincerely,

Christopher Morgan
Administrator
